

Two new outdoor water troughs, with 10 taps and new double sink units in Y3,4,5 and 6 will greatly improve the efficiency of handwashing, as well as improve drinking water hygiene. All children will need a named water bottle.

Reception, Y2, Y4 and Y6 will be group A (starting at 8:55am, finishing at 3:20pm) Y1, Y3 and Y5 will be group B (starting at 9:05am, finishing at 3:30pm) Please refer to table attached for where to go for drop-off and pickup.

Classes will use assigned play areas for the week and these will be rotated each week. Classes will generally be supervised by their class teachers and teaching assistant during break times.

Mr Richardson will continue his twice daily enhanced clean of 'multi-touch' areas. Teaching staff will continue with regular cleaning of tables throughout the day. All classrooms and communal rooms equipped with cleaning kit.

September reopening summary

Attendance from Thursday 3rd September is statutory and any absence will need to be reported to the school. If children are not well, they should not come to school. Parents should call in and state clearly the reason for absence.

Only the items needed for the day should be brought to school. Classroom trays need to be kept clean and tidy, with only the learning essentials in them. Y5/6 pupils should not bring a phone unless authorised by the headteacher.

Classroom and pupil tray space is a premium. Large bags and rucksacks should not be brought to school. An 'easy to clean bag' should be used to bring books to school.

Please refer to the Lewisham guidance on procedures in the event of a child showing symptoms of COVID-19. As part of any 'local lockdown', learning would carry on remotely, with teachers using 'live teaching' lessons, Seesaw and other online resources. All children would be expected to 'attend'.

*this will be organised in September. Essentially each class will have a 'pick-up area' in the playground. We encourage parents/carers to stand in the same area each day and keep a distance from others. Standing in the same place will also makes it easier for children and staff to see you and make pick-up safer and more efficient.
