

Working in Partnership with Parents Policy

At [Julia & Sylvia's Wrap Around Care](#) we recognise the importance of working in partnership with parents and carers to ensure that every child is happy, healthy and safe whilst in our care.

We therefore aim to keep parents and carers fully informed of policies, events and activities at the Club, by sharing information with them, answering questions and addressing any concerns, and by encouraging them to participate in the life of the Club.

We do our best to keep parents informed about the Club by:

- Inviting parents to visit the Club before their children start.
- Giving all parents a copy of our **Club Handbook** which outlines how the club operates and includes contact details. We also give parents a copy of our **Behaviour Management** policy
- Making all of our policies available at the Club for parents to consult whenever they like.
- Producing a regular newsletter to keep parents up to date with news, events, new staff, changes to fees, etc
- Using a communication book to share information between the parents, school and the Club (for EYFS children or when a specific need is identified).

We actively welcome parents and invite their input into the Club in the following ways:

- We collect information from parents which will help their child to settle at the club (via the **Registration** and **Medical** forms).
- We involve parents in settling their children in at the Club (in accordance with our **Child Induction** policy).
- We consult fully with parents to establish the care requirements for children with additional needs.
- We greet all parents when they arrive to collect their children, and exchange any relevant information (eg any accidents, participation in today's activities, etc).
- We can be contacted at all times via telephone (Julia 07702572064 or Sylvia 07702571907) and email wraparoundcare2016@yahoo.com
- We will conduct a satisfaction survey of parents and children at the Club to gain regular feedback.
- We encourage parents to volunteer, share specialist skills/knowledge, help on outings, etc.
- All of our staff wear uniforms (Julia & Sylvia red polo shirts, Staff blue polo shirts) so that children and parents can easily identify them.
- We obtain parental permission for outings, photographs, applying sun cream, etc.
- We can arrange for parental discussions with staff outside of Club hours if necessary.
- We respect parents' input and opinions by responding promptly and appropriately to any complaints, in line with our **Complaints** policy.

Confidentiality Policy

At [Julia & Sylvia's Wrap Around Care](#) we respect the privacy of the children attending the Club and the privacy of their parents or carers. Our aim is to ensure that all those using and working at [Julia & Sylvia's Wrap Around Care](#) can do so with confidence.

We will respect confidentiality in the following ways:

- Parents can ask to see the records relating to their child, but will not have access to information about any other children.
- Staff only discuss individual children for purposes of planning and group management.
- Staff are made aware of the importance of confidentiality during their induction process.
- Information given by parents to Club staff will not be passed on to third parties without permission unless there is a safeguarding issue (as covered in our **Safeguarding Policy**).
- Concerns or evidence relating to a child's safety, will be kept in a confidential file and will not be shared within the Club, except with the designated Child Protection Officer and the manager.
- Issues relating to the employment of staff, whether paid or voluntary, will remain confidential to those making personnel decisions.
- Confidential records are stored securely in a lockable file.
- Students on work placements and volunteers are informed of our confidentiality policy and are required to respect it.

Sharing information with outside agencies

We will only share information with outside agencies on a need-to-know basis and with consent from parents, except in cases relating to safeguarding children or criminal activity. If we decide to share information without parental consent, we will record this in the child's file, clearly stating our reasons.

We will only share relevant information that is accurate and up to date. Our primary commitment is to the safety and well-being of the children in our care.

Data Protection Act

We comply with the requirements of the Data Protection Act 1998, regarding obtaining, storing and using personal data.

Equal Opportunities Policy

At [Julia & Sylvia's Wrap Around Care](#) we will ensure that we provide a safe and caring environment, free from discrimination, for everyone in our community including children with additional needs.

To achieve the Club's objective of creating an environment free from discrimination and welcoming to all, the Club will:

- Respect the different racial origins, religions, cultures and languages in a multi-ethnic society so that each child is valued as an individual without racial or gender stereotyping.
- Not discriminate against children on the grounds of disability, sexual orientation, class, family status or HIV/Aids status.

- Help all children to celebrate and express their cultural and religious identity by providing a wide range of appropriate resources and activities.
- Strive to ensure that children feel good about themselves and others, by celebrating the differences which make us all unique individuals.
- Ensure that its services are available to all parents/carers and children in the local community.
- Ensure that the Club's recruitment policies and procedures are open, fair and non-discriminatory.
- Work to fulfil all the legal requirements of the Equality Act 2010.
- We will monitor and review the effectiveness of our inclusive practice by conducting an Inclusion Audit on an annual basis.

Challenging inappropriate attitudes and practices

We will challenge inappropriate attitudes and practices by engaging children and adults in discussion, by displaying positive images of race and disability, and through our staff modelling anti-discriminatory behaviour at all times.

Racial harassment

The Club will not tolerate any form of racial harassment. The Club will challenge racist and discriminatory remarks, attitudes and behaviour from the children at the Club, from staff and from any other adults on Club premises (eg parents/carers collecting children).

Promoting equal opportunities

The Club will ensure that

- Staff receive relevant and appropriate training
- The **Equalities policy** is consistent with current legislation and guidance
- Appropriate action is taken wherever discriminatory behaviour, language or attitudes occur.

Children with additional needs

Our Club recognises that some children have additional needs or physical disabilities that require particular support and assistance. We will assess the individual needs of each child in consultation with their parents prior to their attending the Club, and will make reasonable adjustments to ensure that children can access our services and are made to feel welcome.

Behaviour Management Policy

[Julia & Sylvia's Wrap Around Care](#) uses effective behaviour management strategies to promote the welfare and enjoyment of children attending the Club. Working in partnership with parents, we aim to manage behaviour using clear, consistent and positive

strategies. The Club rules are clearly displayed at every session, and are discussed regularly.

Whilst at [Julia & Sylvia's Wrap Around Care](#) we expect children to:

- Use socially acceptable behaviour
- Comply with the Club rules, which are compiled by the children attending the club
- Respect one another, accepting differences of race, gender, ability, age and religion
- Develop their independence by maintaining self-discipline
- Choose and participate in a variety of activities
- Ask for help if needed
- Enjoy their time at the Club.

Encouraging positive behaviour

At [Julia & Sylvia's Wrap Around Care](#) positive behaviour is encouraged by:

- Staff acting as positive role models
- Praising appropriate behaviour
- Sticker rewards
- Informing parents about individual achievements
- Offering a variety of play opportunities to meet the needs of children attending the Club.

It is inevitable that as children develop and learn, there are times when they need support and guidance to understand that their behaviour is not acceptable. Staff at the Club will try to determine the cause or triggers of the inappropriate behaviour to prevent the situation from recurring.

Dealing with inappropriate behaviour

- Challenging behaviour will be addressed in a calm, firm and positive manner.
- In the first instance, the child will be temporarily removed from the activity.
- Staff will discuss why the behaviour displayed is deemed inappropriate.
- Staff will give the child an opportunity to explain their behaviour, to help prevent a recurrence.
- Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation.
- If the inappropriate behaviour appears to be as a result of boredom, staff will consult with the child to find activities that more fully engage them.
- Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.
- We will not threaten any punishment that could adversely affect a child's well-being (eg withdrawal of food or drink).

If after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, the Club may decide to exclude the child in accordance with our **Suspensions and Exclusions** policy. The reasons and processes involved will be clearly explained to the child.

Physical intervention

Physical intervention will only be used as a last resort, when staff believe that action is necessary to prevent injury to the child or others, or to prevent significant damage to equipment or property. If a member of staff has to physically restrain a child, the manager will be notified and an **Incident record** will be completed. The incident will be discussed with the parent or carer as soon as possible.

If staff are not confident about their ability to contain a situation, they should call the manager or, in extreme cases, the police.

All serious incidents will be recorded on an **Incident record** and kept in the child's file. This may be used to build a pattern of behaviour, which may indicate an underlying cause. If a pattern of incidents indicates possible abuse, we will implement child protection procedures in accordance with our **Safeguarding** policy.

Corporal punishment

Corporal punishment or the threat of corporal punishment will *never* be used at the Club.

We will take all reasonable steps to ensure that no child who attends our Club receives corporal punishment from any person who cares for or is in regular contact with the child, or from any other person on our premises.

Anti-Bullying Policy

[Julia & Sylvia's Wrap Around Care](#) provides a supportive, caring and safe environment in which all children are free from the fear of being bullied. Bullying of any form is not tolerated in our club, whether carried out by a child or an adult.

Staff, children and parents or carers will be made aware of the Club's position on bullying. Bullying behaviour is unacceptable in any form.

Any child who is a victim of bullying will be dealt with in a sympathetic manner. If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff informed, and then discussed with the manager. An account of the incident will be recorded in an **Incident log**. All staff will be informed so that close monitoring of the victim and bully can begin. Parents of both parties will be informed.

[Julia & Sylvia's Wrap Around Care](#) defines bullying as the *repeated* harassment of others through emotional, physical, psychological or verbal abuse.

- **Physical:** Pushing, scratching, spitting, kicking, hitting, biting, taking or damaging belongings, tripping up, punching or using any sort of violence against another person.
- **Psychological:** Behaviour likely to create a sense of fear or anxiety in another person.
- **Emotional:** Being deliberately unkind, shunning or excluding another person from a group or tormenting them. For example, making another person feel 'left out' of a game or activity, passing notes about others or making fun of another person.
- **Verbal:** Name-calling, put-downs, ridiculing or using words to attack, threaten or insult. For example, spreading rumours or making fun of another person's appearance.

Racial harassment can take any of the forms of bullying listed above but is motivated by the victim's colour, race, nationality, or ethnic or national origins. Incidents of racial

harassment will be recorded as such on the **Incident log**. (See our **Equalities Policy** for more information on how we deal with and challenge discriminatory behaviour.)

Preventing bullying behaviour

Staff at [Julia & Sylvia's Wrap Around Care](#) will foster an anti-bullying culture in the following ways:

- Encouraging caring and nurturing behaviour
- Discussing friendships and encouraging group and team play
- Encouraging children to report bullying without fear
- Discussing the issues surrounding bullying with the children, including why bullying behaviour will not be tolerated
- Exploring the consequences of bullying behaviour with the children.

Responding to bullying behaviour

[Julia & Sylvia's Wrap Around Care](#) acknowledges that despite all efforts to prevent it, bullying behaviour is likely to occur on occasion. Should such incidents occur, the Club will follow the procedure outlined below:

- We will address all incidents of bullying thoroughly and sensitively.
- Victims of bullying will be offered the immediate opportunity to discuss the matter with a member of staff who will reassure the child and offer support.
- They will be reassured that what they say will be taken seriously and handled sympathetically.
- Staff will support the individual who has been bullied, keeping them under close supervision, and checking their welfare regularly.
- If another child witnesses bullying and reports this, staff will reassure them that they have done the right thing. Staff will then investigate the matter.
- If a member of staff witnesses an act of bullying, involving children or adults at the club, they will inform the supervisor.
- Children who have bullied will be helped by discussing what has happened, establishing why the child became involved. Staff will help the child to understand why this form of behaviour is unacceptable and will encourage him/her to change their behaviour
- If the bullying persists, the parents will be informed and we will work with them to try to resolve the issues.
- If this fails to stop the bullying, more serious actions may have to be taken, as laid out in the **Suspensions and Exclusions** policy.
- All incidents of bullying will be reported to the manager and will be recorded on an **Incident Log**. The manager and other relevant staff will review the Club's procedures in respect of bullying, to ensure that practices are relevant and effective.

Health and Safety Policy

[Julia & Sylvia's Wrap Around Care](#) considers health and safety to be of utmost importance. We comply with The Health and Safety at Work Act 1974 and the Workplace (Health, Safety and Welfare) Regulations 1992 at all times.

The Club has appropriate insurance cover, including employer's liability insurance and public liability insurance.

Each member of staff follows the Club's **Health and Safety** policy and is responsible for:

- Maintaining a safe environment
- Taking reasonable care for the health and safety of themselves and others attending the Club
- Reporting all accidents and incidents which have caused injury or damage or may do so in the future
- Undertaking relevant health and safety training when required to do so by the manager.

Any member of staff who disregards safety instructions or recognised safe practices will be subject to disciplinary procedures.

Responsibilities of the registered person

The registered person for the setting holds ultimate responsibility and liability for the safe operation of the Club. The registered person will ensure that:

- The Club's designated health and safety officer is [Sylvia Morgan](#)
- All staff receive information on health and safety matters, and receive training where necessary
- The **Health and Safety** policy and procedures are reviewed regularly
- Staff understand and follow health and safety procedures
- Resources are provided to meet the Club's health and safety responsibilities
- All accidents, incidents and dangerous occurrences are properly reported and recorded. This includes informing Ofsted, child protection agencies and the Health and Safety Executive under RIDDOR (Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995) where appropriate.
- All reported accidents, incidents and dangerous occurrences are reviewed, so that preventative measures can be taken.

Responsibilities of the manager

The Club's manager is responsible for ensuring that at each session:

- Premises are clean, well lit, adequately ventilated and maintained at an appropriate temperature
- The premises are used by and solely available to the Club during opening hours
- All the Club's equipment is safely and securely stored
- A working telephone is available on the premises at all times
- Chemicals and cleaning materials are stored appropriately, and in accordance with COSHH data sheets.
- External pathways are cleared in severe weather
- Daily environment checks are carried out in accordance with our **Risk Assessment** policy.

Security

Children are not allowed to leave the Club premises during the session unless prior permission has been given by the parents (for example, to attend other extra-curricular activities).

During Club sessions all external doors will be kept locked, with the exception of fire doors which are alarmed. Staff monitor the entrances and exits to the premises throughout the session.

All visitors to the Club must sign the **Visitor Log** and give the reason for their visit. Visitors will never be left alone with the children.

Security procedures will be regularly reviewed by the manager, in consultation with staff and parents.

Toys and equipment

All furniture, toys and equipment are kept clean, well maintained and in good repair. We select toys, equipment and resources with care, and we carry out risk assessments before the children are allowed to use them. Broken toys and equipment are disposed of promptly.

We ensure that any flammable equipment is stored safely.

Food and personal hygiene

Staff at Julia & Sylvia's WAC we maintain high standards of personal hygiene, and take all practicable steps to prevent and control the spread of infection.

- A generally clean environment is maintained at all times.
- Toilets are cleaned daily and soap and hand drying facilities are always available.
- Staff are trained in food hygiene and follow appropriate guidelines.
- Waste is disposed of safely and all bins are kept covered.
- Staff ensure that children wash their hands before handling food or drink and after using the toilet.
- Cuts and abrasions (whether on children or staff) are kept covered.

Dealing with body fluids

Spillages of blood, vomit, urine and faeces will be cleaned up immediately in accordance with our **Intimate Care** policy.

Staffing levels

Staff ratios and levels of supervision are always appropriate to the number, ages and abilities of the children present, and to the risks associated with the activities being undertaken. A minimum of two members of staff are on duty at any time.

Related policies

See also our related policies: **Illness and Accidents, Emergency Evacuation, Healthy Eating, Safeguarding, Administering Medication, Risk Assessment, Manual Handling, Fire Safety, and Intimate Care, Visitor.**

Illness and Accidents Policy

At [Julia & Sylvia's Wrap Around Care](#) we will deal promptly and effectively with any illnesses or injuries that occur while children are in our care. We take all practical steps to keep staff and children safe from communicable diseases.

All parents or carers must complete the **Medical Form** when their child joins the Club, requesting permission for emergency medical treatment for their child in the event of a serious accident or illness.

We will record any accidents or illnesses, together with any treatment given, on an **Incident Record** or **Accident Record** sheet as appropriate, which the parent or carer will be asked to sign when they collect the child.

[Julia & Sylvia's Wrap Around Care](#) cannot accept children who are ill. If any children are ill when they first arrive at the Club we will immediately notify their parents or carers to come and collect them. Any children who have been ill should not return to the Club until they have fully recovered, or until after the minimum exclusion period has expired (see table at the end of this policy).

First aid

The Club's designated First Aider is [Julia Johnson](#). The designated First Aider has a current first aid certificate and has attended a 12 hour paediatric first aid course. To ensure that there is a qualified first aider present and available at all times when the Club is running, other members of staff will also receive first aid training. We will take into account the number of children and layout of the premises to ensure that first aiders are able to respond quickly to any incident.

The location of the first aid box and a list of qualified first aiders are clearly displayed at the Club. The designated First Aider regularly checks the contents of the first aid box to ensure that they are up to date, appropriate for children and comply with the Health and Safety (First Aid) Regulations 1981.

The manager will ensure that a first aid kit is taken on all outings and that at least one member of staff on the outing holds a current paediatric first aid certificate.

Procedure for a minor injury or illness

The first aider at the session will decide upon the appropriate action to take if a child becomes ill or suffers a minor injury.

- If a child becomes ill during a session, the parent or carer will be asked to collect the child as soon as possible. The child will be kept comfortable and will be closely supervised while awaiting collection.
- If a child complains of illness which does not impair their overall wellbeing, the child will be monitored for the rest of the session and the parent or carer will be notified when the child is collected.
- If a child suffers a minor injury, first aid will be administered and the child will be monitored for the remainder of the session. If necessary, the child's parent will be asked to collect the child as soon as possible.

Procedure for a major injury or serious illness

In the event of a child becoming seriously ill or suffering a major injury, the first aider at the session will decide whether the child needs to go straight to hospital or whether it is safe to wait for their parent or carer to arrive.

- If the child needs to go straight to hospital, we will call an ambulance and a member of staff will go to the hospital with the child. The staff member will take the child's **Medical Form** with them and will consent to any necessary treatment (as approved by the parents on the **Medical Form**).

- We will contact the child’s parents or carers with all urgency, and if they are unavailable we will call the other emergency contacts that we have on file for the child.
- After a major incident the manager and staff will review the events and consider whether any changes need to be made to the Club’s policies or procedures.
- We will notify Ofsted and child protection agencies in the event of any serious accident or injury to a child in our care as soon as reasonably possible and within 14 days at the latest.
- We will notify HSE under RIDDOR in the case of a death or major injury on the premises (eg broken limb, amputation, dislocation, etc - see the HSE website for a full list of reportable injuries).

Communicable diseases and conditions

If a case of head lice is found at the Club, the child’s parents or carers will be discreetly informed when they collect the child. Other parents will be warned to check their own children for head lice, but care will be taken not to identify the child affected.

If an infectious or communicable disease is detected on the Club’s premises, we will inform parents and carers as soon as possible.

If there is an incident of food poisoning affecting two or more children looked after at the Club the Manager will inform Ofsted as soon as possible and within 14 days at the latest.

If there is an outbreak of a notifiable disease at the Club, we will inform the local health protection unit, HSE under RIDDOR (if appropriate), and Ofsted.

Safeguarding Children Policy

[Julia & Sylvia's Wrap Around Care](#) is committed to building a 'culture of safety' in which the children in our care are protected from abuse, harm and radicalisation.

The Club will respond promptly and appropriately to all incidents or concerns regarding the safety of a child that may occur. The Club's child protection procedures comply with all relevant legislation and with guidance issued by the Local Safeguarding Children Board (LSCB).

The Club's designated Child Protection Officer (CPO) is [Sylvia Morgan / Julia Johnson](#). The CPO coordinates child protection issues and liaises with external agencies (eg Social Care, the LSCB and Ofsted).

Child abuse and neglect

Child abuse is any form of physical, emotional or sexual mistreatment or lack of care that leads to injury or harm. An individual may abuse or neglect a child directly, or by failing to protect them from harm. Some forms of child abuse and neglect are listed below.

- **Emotional abuse** is the persistent emotional maltreatment of a child so as to cause severe and persistent adverse effects on the child's emotional development. It may involve making the child feel that they are worthless, unloved, or inadequate. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.
- **Physical abuse** can involve hitting, shaking, throwing, poisoning, burning, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may be also caused when a parent or carer feigns the symptoms of, or deliberately causes, ill health to a child.
- **Sexual abuse** involves forcing or enticing a child to take part in sexual activities, whether or not the child is aware of what is happening. This can involve physical contact, or non-contact activities such as showing children sexual activities or encouraging them to behave in sexually inappropriate ways.
- **Neglect** is the persistent failure to meet a child's basic physical and emotional needs. It can involve a failure to provide adequate food, clothing and shelter, to protect a child from physical and emotional harm, to ensure adequate supervision or to allow access to medical treatment.

Signs of child abuse and neglect

Signs of possible abuse and neglect may include:

- significant changes in a child's behaviour
- deterioration in a child's general well-being
- unexplained bruising or marks
- comments made by a child which give cause for concern
- inappropriate behaviour displayed by a member of staff, or any other person. For example, inappropriate sexual comments, excessive one-to-one attention beyond the requirements of their role, or inappropriate sharing of images.

If abuse is suspected or disclosed

When a child makes a disclosure to a member of staff, that member of staff will:

- reassure the child that they were not to blame and were right to speak out
- listen to the child but not question them
- give reassurance that the staff member will take action
- record the incident as soon as possible (see *Logging an incident* below).

If a member of staff witnesses or suspects abuse, they will record the incident straightaway. If a third party expresses concern that a child is being abused, we will encourage them to contact Social Care directly. If they will not do so, we will explain that the Club is obliged to and the incident will be logged accordingly.

Extremism and radicalisation

All childcare settings have a legal duty to protect children from the risk of radicalisation and being drawn into extremism. There are many reasons why a child might be vulnerable to radicalisation, including:

- feeling alienated or alone

- seeking a sense of identity or individuality
- suffering from mental health issues such as depression
- desire for adventure or wanting to be part of a larger cause
- associating with others who hold extremist beliefs

Signs of radicalisation

Signs that a child might be at risk of radicalisation include:

- changes in behaviour, for example becoming withdrawn or aggressive
- claiming that terrorist attacks and violence are justified
- viewing violent extremist material online
- possessing or sharing violent extremist material

If a member of staff suspects that a child is at risk of becoming radicalised, they will record any relevant information or observations on a **Logging a concern** form, and refer the matter to the CPO.

Logging an incident

All information about the suspected abuse or disclosure, or concern about radicalisation, will be recorded on the **Logging a concern** form as soon as possible after the event. The record should include:

- date of the disclosure, or the incident, or the observation causing concern
- date and time at which the record was made
- name and date of birth of the child involved
- a factual report of what happened. If recording a disclosure, you must use the child's own words
- name, signature and job title of the person making the record.

The record will be given to the Club's CPO who will decide on the appropriate course of action.

For concerns about **child abuse**, the CPO will contact Social Care. The CPO will follow up all referrals to Social Care in writing within 48 hours. If a member of staff thinks that the incident has not been dealt with properly, they may contact Social Care directly.

For minor concerns regarding **radicalisation**, the CPO will contact the Local Safeguarding Children Board (LSCB) or Local Authority Prevent Co-ordinator. For more serious concerns the CPO will contact the Police on the non-emergency number (101), or the anti-terrorist hotline on 0800 789 321. For urgent concerns the CPO will contact the Police using 999.

Allegations against staff

If anyone makes an allegation of child abuse against a member of staff:

- The allegation will be recorded on an **Incident record** form. Any witnesses to the incident should sign and date the entry to confirm it.
- The allegation must be reported to the Local Authority Designated Officer (LADO) and to Ofsted. The LADO will advise if other agencies (eg police) should be informed, and the Club will act upon their advice. Any telephone reports to the LADO will be followed up in writing within 48 hours.
- Following advice from the LADO, it may be necessary to suspend the member of staff pending full investigation of the allegation.
- If appropriate the Club will make a referral to the Disclosure and Barring Service.

Promoting awareness among staff

The Club promotes awareness of child abuse and the risk of radicalisation through its staff training. The Club ensures that:

- the designated CPO has relevant experience and receives appropriate training in safeguarding and the Prevent Duty, and is aware of the Channel Programme and how to access it
- safe recruitment practices are followed for all new staff
- all staff have a copy of this Safeguarding Children policy, understand its contents and are vigilant to signs of abuse, neglect or radicalisation
- all staff are aware of their statutory duties with regard to the disclosure or discovery of child abuse, and concerns about radicalisation
- all staff receive basic safeguarding training
- all staff receive basic training in the Prevent Duty
- staff are familiar with the Safeguarding File which is kept [in Julia & Sylvia's WAC folder](#)
- the Club's procedures are in line with the guidance in 'Working Together to Safeguard Children (2015)' and staff are familiar with the guidance in 'What To Do If You're Worried A Child Is Being Abused (2015)'.

Use of mobile phones and cameras

Photographs will only be taken of children with their parents' permission. Only the club camera will be used to take photographs of children at the Club, except with the express permission of the manager. Neither staff nor children may use their mobile phones to take photographs at the Club.

Whistleblowing Policy

[Julia & Sylvia's Wrap Around Care](#) is committed to the highest standards of openness, probity and accountability. If a member of staff discovers evidence of malpractice or wrongdoing within the Club they can disclose this information internally without fear of reprisal. Our **Whistleblowing** policy is intended to cover concerns such as:

- Financial malpractice or fraud
- Failure to comply with a legal obligation
- Dangers to health and safety or the environment
- Criminal activity

- Improper conduct or unethical behaviour

This policy should not be used to question business decisions made by the Club, or to raise any matters that are covered under other policies (eg discrimination or racial harassment). Any allegations relating to child protection will follow the procedures set out in the **Safeguarding Children policy**. Any concerns relating to the employment conditions of an individual member of staff should be raised according to the procedures set out in the **Staff Grievance policy**.

Raising a concern

Ideally the staff member should put his or her allegations in writing, setting out the background to the situation, giving names, dates and places where possible, and the reason why they are concerned about the situation.

In the first instance concerns should be taken to the Club's manager. If, due to the nature of the problem, this is not possible, speak to School Protection Officer for advice.

If this person or body is unwilling or unable to act on the concern, the staff member should then raise it with:

- Ofsted (if it concerns the safe and effective running of the club)
- The Local Authority Designated Officer or the Local Safeguarding Children Board (if it concerns a child protection issue and is not already covered by the procedure set out in the Club's **Safeguarding Children policy**)
- Ultimately, with the police (if a crime is thought to have been committed).

If the member of staff is still uncertain about how to proceed with the concern, he or she can contact the whistle-blowing charity PCAW (Public Concern at Work) for advice.

Responding to a concern

Initial enquiries will usually involve a meeting with the individual raising the concern, and will decide whether an investigation is appropriate and, if so, what form it should take. If a concern relates to issues which fall within the scope of other policies, it will be addressed under those policies.

If the initial meeting does not resolve the concern, further investigation is required. The appropriate person will investigate the concerns thoroughly, ensuring that a written response can be provided within ten working days where feasible, or if this is not possible, giving a date by which the final response can be expected. The response should include details of how the matter was investigated, conclusions drawn from the investigation, and who to contact if the member of staff is unhappy with the response and wishes to take the matter further.

Rights and responsibilities of the whistle-blower

All concerns will be treated in confidence and the Club will make every effort not to reveal the identity of anyone raising a concern in good faith. At the appropriate time, however, the member of staff may need to come forward as a witness.

If a member of staff raises a concern in good faith which is then not confirmed by the investigation, no action will be taken against that person.

If the investigation concludes that the member of staff maliciously fabricated the allegations, disciplinary action may be taken against that person.

Safe Recruitment Policy

[Out of School Club](#) uses safe recruitment practices to ensure that all people working with the children in our care are safe and qualified to do so. When recruiting paid staff or volunteers we will follow the procedures set out below.

Advertising the vacancy

We will advertise all vacancies, and any job advertisements will include a statement about our commitment to safeguarding children.

Initial enquiry

Upon enquiring about a vacancy, we will send potential candidates:

- a job description
- a person specification
- an application form
- a copy of the Club's **Safeguarding Children** policy.

The application form includes:

- instructions that the application form must be completed by hand
- a declaration that all information is correct
- a section under the Rehabilitation of Offenders Act that asks if the applicant has been awaiting a verdict, convicted, or cautioned or received a court order or warning for any offence that may affect their suitability for working with children
- a request for the contact details of two referees one of which should be the last employer; (if this is the candidate's first job, their course tutor is a suitable alternative)

All applicants must submit a hand-written application form by the closing date. We will only accept CVs if they are accompanied by our standard application form completed as required.

Interview procedure

We will notify all candidates selected for interview by letter. All candidates will be asked to bring to the following items to the interview:

- proof of identity, eg passport, driving licence or birth certificate
- proof of address, eg recent utility bill (not mobile phone) or bank statement

- proof of qualifications, ie the relevant certificates
- for non-British nationals, proof of the right to work in the UK (as required by the Asylum and Immigration Act)

The interview will be conducted by at least two interviewers. All candidates will be asked the same set of questions. We will then ask additional questions about any other issues that arise from their application form. For example, the interviewers will follow up on any gaps in the candidate's employment history rigorously and ensure that they are satisfied with the explanation given, undertaking additional checks if necessary.

All candidates will also be asked to participate in a session with the children for an hour so that they can be observed interacting with the staff and children.

When we have interviewed and observed all candidates, we will make our final selection.

Appointing a new member of staff

When we have selected the successful candidate, we will

- send him or her a written offer, which will clearly state that it is subject to the receipt of suitable references, full sight of a satisfactory enhanced DBS certificate and their written confirmation that they are not disqualified from working with children.
- contact both referees for a reference, including asking them if they have any child protection concerns about the candidate.
- initiate an enhanced DBS check for the candidate, or if the candidate is subscribed to the DBS Update Service, review their current DBS certificate and check their status online
- ask the candidate to complete a health questionnaire
- notify any unsuccessful interviewees.

We will also take photocopies of the new member of staff's qualification certificates and proof of identity and keep these on file.

When a new member of staff starts work at [Julia & Sylvia's Wrap Around Care](#) we will give him or her:

- our terms and conditions, and get them to sign their contract; a copy of their contract will be kept on file
- all our Club policies, and ensure that they sign a policy confirmation form to confirm that they have read and understood them; the signed form will be kept on file.

We will conduct a full induction and orientation programme with all new members of staff as set out in our **Staff Induction policy**.

DBS checks

We will obtain enhanced DBS disclosures for all staff, students and volunteers who will work unsupervised with the children on a regular basis, or who have access to children's information. If candidates have subscribed to the DBS Update Service we will carefully review their current DBS certificate and then check their status online. If there has been a change in their status since their last DBS certificate was issued we will obtain a new DBS disclosure for them.

New staff will only be allowed to work *unsupervised* with children when we have had full sight of a satisfactory DBS certificate for them.

If we decide to allow a new member of staff to begin work pending the completion of their DBS check, we will complete a written risk assessment first and they will *not be*

allowed unsupervised access to the children until we have seen and reviewed their DBS certificate.

When we appoint a member of staff we will keep a record of the date and number of their DBS disclosure on our **Central DBS Record**. We will update the DBS checks for all staff every 3 years.

Disqualification

The Club will not employ staff or volunteers who have been convicted of an offence or have been subject to an order that disqualifies them from registration under regulations made under section 75 of the Childcare Act 2006. Note that a member of staff can *become* disqualified if they live in the same household as another disqualified person, or if a disqualified person is employed in that household. All new staff must sign a declaration that they are not disqualified when they commence employment and all existing staff must sign the declaration annually to confirm that their status has not changed. If a member of staff becomes disqualified we will terminate their employment and notify Ofsted.

Immigration status

The management is aware of Asylum and Immigration Act requirements and will check the ability of all new starters to work in the UK. Candidates are expected to provide documents confirming their status, usually a driving licence, passport, and NI number.

Early Years Foundation Stage Policy

[Julia & Sylvia's Wrap Around Care](#) is committed meeting the requirements of the *Statutory Framework for the Early Years Foundation Stage 2014* (EYFS). EYFS applies to all children from birth through to the end of their reception year. More information about EYFS is available from the Department for Education's website.

The designated EYFS coordinator at the Club is [Julia & Sylvia](#) who is responsible for:

- Identifying EYFS children when they join the Club, and informing the other staff
- Determining the primary EYFS provider (typically, the school) for each child
- Assigning a key person for each EYFS child
- Implementing a communication book, so that the parents, Club and the primary EYFS provider can easily exchange information
- Agreeing information sharing policies with the primary EYFS provider and gaining parental consent for this where necessary
- Liaising with the primary EYFS provider to discuss what support the Club offers to EYFS children

The Club provides a mix of adult-led and child-initiated activities. The Club always follows play principles, allowing children to choose how they occupy their time, and never forces them to participate in a given activity.

We recognise the four overarching principles of EYFS:

- **A Unique Child:** Every child is constantly learning and can be resilient, capable, confident and self assured. We use positive encouragement and praise to motivate the children in our care.

- **Positive Relationships:** Children learn to be strong and independent through positive relationships. We aim to develop caring, respectful, professional relationships with the children and their families.
- **Enabling Environments:** Children learn and develop well in environments in which their experiences respond to their individual needs and where there is a strong partnership between practitioners and parents/carers. We observe children in order to understand their current interests and development before planning appropriate play-based activities for them.
- **Children develop and learn in different ways and at different rates.** The EYFS framework covers the education and care of all children in Early Years provision, including children with special educational needs and disabilities. We tailor the experiences we offer the children in our care according to their individual needs and abilities.

Mobile Phone Policy

[Julia & Sylvia's Wrap Around Care](#) fosters a 'culture of safety' in which the children and staff are protected from abuse, harm, and distress. We therefore have a clear policy on the acceptable use of mobile phones that is understood and adhered to by everyone: staff, children and parents. Abiding by the terms of the club's mobile phone policy ensures that we all:

- Protect children from harm and abuse
- Prevent staff from being subject to false allegations
- Help staff remain focused on the care of children
- Work in an open and transparent environment.

Staff use of mobile phones

Personal mobile phones belonging to members of staff must not be used during working hours.

If a member of staff needs to make an urgent personal call they can use their mobile outside in the playground or by the reception area.

If a member of staff has a family emergency or similar and needs to keep their mobile phone to hand, prior permission must be sought from the Manager or Deputy.

Under no circumstances may staff use their personal mobile phones to take photographs at the club during working hours.

Children's use of mobile phones

Whilst we understand that some children have mobile phones, we actively discourage them from using their phones within the club.

The club does not accept any responsibility for loss or damage to mobile phones brought to the club by the children.

Children must not use their mobile phone to take photographs of any kind whilst at the club. If they want a photograph of a particular activity they can ask a member of staff to take one using the club camera.

Visitors' use of mobile phones

Parents and all other visitors must not use their mobile phone - or any other device - to take photographs within the club. This includes taking photographs of their own children. If they want to have a photograph of their child involved in an activity or at play, parents can ask a member of staff to take one using the club camera.

Arrivals and Departures

[Julia & Sylvia's Wrap Around Care](#) recognises the importance of having robust systems in place to ensure the safe arrival and departure of the children in our care.

The manager will ensure that an accurate record is kept of all children in the Club, and that any arrivals or departures are recorded in the register. The register is kept in an accessible location on the premises at all times. In addition we conduct regular headcounts during the session.

Escorting children to the Club

- The Club and school have a clear agreement concerning the transfer of responsibility for children's safety.
- We have risk assessed the route used to escort children to the Club and review it regularly.
- The school and the Club keep an identical register of children who require escorting between locations which is updated daily.
- Children will be picked up by 2 members of staff from their year groups and escorted to the Library / Rainbow room
- If a child is booked into the Club but is not at the collection point, we will check whether the child was present at school that day. If the whereabouts of the child is not known, staff will immediately inform the designated contact at the school and ask the school to implement its **Missing Child** policy.

Arrivals

Our staff will greet each child warmly on their arrival at the Club and will record the child's attendance in the daily register straightaway, including the time of arrival.

Departures

- Staff will ensure that parents or carers sign children out before they leave, including the time of collection.
- Children are collected by an adult who has been authorised to do so on their registration form.
- In exceptional circumstances, if the parent requires another person who is not listed on the registration form to collect their child, the child's parents or carers must inform Julia or Sylvia in advance and provide a description of the person and a

password that they will use. If the manager has any concerns regarding the person collecting he/she will contact the main parent or carer for confirmation.

- The parent or carer must notify the Club if they will be late collecting their child. If the Club is not informed, the **Uncollected Children** policy will be followed.
- Children will not be allowed to leave the Club unaccompanied.

Absences

- If a child is going to be absent from a session, parents must notify the Club in advance.
- If a child is absent without explanation, staff will contact the parents or carers and the school to check where the child should be. If staff still have concerns about the child's whereabouts after attempts to contact the parents and the school the manager will contact the police.
- The Club will try to discover the causes of prolonged and unexplained absences. Regular absences could indicate that a child or their family might need additional support.

Risk Assessment Policy

[Julia & Sylvia's Wrap Around Care](#) uses its risk assessment systems to ensure that the Club is a safe and secure place for children and staff. All staff are expected to undertake risk assessments as part of their routine tasks.

In line with current health and safety legislation and the *EYFS Safeguarding and Welfare Requirements 2014*, the Club will carry out regular risk assessments and take appropriate action to deal with any hazards or risks identified. It is the responsibility of the manager to ensure that risk assessments are conducted, monitored and acted upon.

Risk assessments will be carried out:

- whenever there is any change to equipment or resources
- when there is any change to the Club's premises
- when the particular needs of a child necessitates this
- when we take the children on an outing or visit.

Not all risk assessments need to be written down. Staff will decide, in consultation with the manager, which risk assessments need to be formally recorded. However risk assessments related to employment and the working environment will be always be recorded in writing so that staff can refer to them.

If changes are required to the Club's policies or procedures as a result of the risk assessment, the manager will update the relevant documents and inform all staff.

Daily checks

We will carry out a visual inspection of the equipment and the whole premises (indoors and out) daily, before any children arrive. During the course of the session, staff will remain alert to any potential risks to health and safety.

If a member of staff discovers a hazard during the course of a session, they will make the area safe (eg by cordoning it off) and then notify the manager. The manager will ensure

that any actions needed to mitigate the immediate hazard have been taken and will implement measures to prevent the incident from recurring.

Recording dangerous events

The manager will record all accidents and dangerous events on the **Incident or Accident Record** sheets as soon as possible after the incident. If the incident affected a child the record will be kept on the child's file. The Club will monitor **Incident and Accident Records** to see whether any pattern to the occurrences can be identified.

Fire Safety and Risk Assessment

[Julia & Sylvia's Wrap Around Care](#) understands the importance of fire safety. To this end:

- Staff are aware of the location of all fire exits, the fire assembly point and where fire safety equipment is stored.
- Children are introduced to the fire safety procedures during their settling in period and through regular fire drills.
- Fire drills are conducted at least once a month or whenever new staff or children join the club.
- All children are shown the location of fire exits and the fire assembly point.
- Fire doors and fire exits are clearly marked, are not obstructed at any time and are easily opened from the inside.
- Fire doors are kept closed at all times but never locked.
- Fire extinguishers, fire alarms and smoke alarms are regularly tested in accordance with manufacturer's guidance.
- All fire drills are recorded in the **Fire Drill Log**.
- The Club has notices explaining the fire procedures which are positioned next to every fire exit.

Fire prevention

The Club will take all steps possible to prevent fires occurring by:

- Ensuring that power points are not overloaded with adaptors.
- Ensuring that the Club's No Smoking policy is always observed.
- Checking for frayed or trailing wires.
- Checking that fuses are replaced safely.
- Unplugging all equipment before leaving the premises.
- Storing any potentially flammable materials safely.

In the event of a fire

- A member of staff will raise the alarm and call the emergency services.

- The children will immediately be escorted out of the building to the assembly point using the nearest marked exit.
- No attempt will be made to collect personal belongings, or to re-enter the building after evacuation.
- The premises will be checked by the Fire Safety Officer and the register will be collected, providing that it is safe to do so.
- The Fire Safety Officer will close all doors and windows to prevent the spread of fire when they leave the building if it is safe to do so.
- The register will be taken and all children and staff accounted for.
- If anyone is missing from the register, the emergency services will be informed.
- If the register is not available the manager will use the emergency contacts list to contact the parents or carers.
- If the Fire Safety Officer is not present at the time of the incident, the manager will assume responsibility or nominate a replacement member of staff.

Responsibilities of the Fire Safety Officer

The Club's Designated Fire Safety Officer is . The Fire Safety Officer is responsible for carrying out the fire safety risk assessment and for ensuring that all staff are made aware of fire safety procedures during their Induction period.

The Regulatory Reform (Fire Safety) Order 2005 requires that a fire safety risk assessment is undertaken for the workplace based on The Department of Communities and Local Government's 5 step guide:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/14899/fsra-5-step-checklist.pdf. The risk assessment should cover:

- Identifying potential fire risks
- Identifying people at risk
- Evaluating the risks arising from the hazards identified and the means of minimising those risks
- Recording the hazards, preparing a fire prevention plan and sharing these with other members of staff
- Reviewing the fire safety risk assessment on a regular basis.

The Fire Safety Officer should liaise with the local Fire and Rescue Service for further advice and should ensure that Emergency Contact details are recorded at the front of the register and a copy stored off premises.

Administering Medication Policy

If a child attending [Julia & Sylvia's Wrap Around Care](#) requires prescription medication of any kind, their parent or carer must complete a **Permission to administer medicine** form in advance. Staff at the Club will not administer any medication without such prior written consent.

Ideally children should take their medication before arriving at the Club. If this is not possible, children will be encouraged to take personal responsibility for their medication, if appropriate. If children carry their own medication (eg asthma inhalers), the Club staff will offer to keep the medication safe until it is required. Inhalers must be labelled with the child's name.

[Julia & Sylvia's Wrap Around Care](#) can only administer medication that has been prescribed by a doctor, dentist, nurse or pharmacist. However, if a medicine contains aspirin we can only administer it if it has been prescribed by a doctor. All medication provided must have the prescription sticker attached which includes the child's name, the date, the type of medicine and the dosage.

A designated staff member will be responsible for administering medication or for witnessing self-administration by the child. The designated person will record receipt of the medication on a **Medication Log**, will check that the medication is properly labelled, and will ensure that it is stored securely during the session.

Before any medication is given, the designated person will:

- Check that the Club has received written consent
- Ask another member of staff to witness that the correct dosage is given.

When the medication has been administered, the designated person must:

- Record all relevant details on the **Record of Medication Given** form
- Ask the child's parent or carer to sign the form to acknowledge that the medication has been given.

When the medication is returned to the child's parent or carer, the designated person will record this on the **Medication Log**.

If a child refuses to take their medication, staff will not force them to do so. The manager and the child's parent or carer will be notified, and the incident recorded on the **Record of Medication Given**.

Certain medications require specialist training before use, eg Epi Pens. If a child requires such medication the manager will arrange appropriate training as soon as possible. It may be necessary to absent the child until such training has been undertaken. Where specialist training is required, only appropriately trained staff may administer the medication.

A child's parent or carer must complete a new **Permission to Administer Medication** form if there are any changes to a child's medication (including change of dosage or frequency).

If a child suffers from a long term medical condition the Club will ask the child's parents to provide a medical care plan from their doctor, to clarify exactly what the symptoms and treatment are so that the Club has a clear statement of the child's medical requirements.

Complaints Policy

At [Julia & Sylvia's Wrap Around Care](#) we aim to work in partnership with parents to deliver a high quality childcare service for everyone. If for any reason we fall short of this goal, we would like to be informed in order to amend our practices for the future. Our complaints policy is displayed on the premises at all times. Records of all complaints are kept for at least three years. A summary of complaints is available for parents on request.

The manager is usually responsible for dealing with complaints. If the complaint is about the manager, the registered person or other senior member of staff will investigate the matter. Any complaints received about staff members will be recorded on an **Incident log** and a **Complaints log** will be completed. Any complaints made will be dealt with in the following manner:

Stage one

Complaints about aspects of Club activity:

- Julia or Sylvia will discuss the matter informally with the parent or carer concerned and aim to reach a satisfactory resolution.

Complaints about an individual staff member:

- If appropriate the parent will be encouraged to discuss the matter with staff concerned.
- If the parent feels that this is not appropriate, the matter will be discussed with the manager, who will then discuss the complaint with the staff member and try to reach a satisfactory resolution.

Stage two

If it is impossible to reach a satisfactory resolution to the complaint through informal discussion, the parent or carer should put their complaint in writing to Julia & Sylvia's Wrap Around Care. We will:

- Acknowledge receipt of the letter within 7 days.
- Investigate the matter and notify the complainant of the outcome within 28 days.
- Send a full response in writing, to all relevant parties, including details of any recommended changes to be made to the Club's practices or policies as a result of the complaint.
- Meet relevant parties to discuss the Club's response to the complaint, either together or on an individual basis.

If child protection issues are raised, the manager will refer the situation to the Club's Child Protection Officer, who will then contact the Local Authority Designated Officer (LADO) and follow the procedures of the **Safeguarding Children Policy**. If a criminal act may have been committed, the manager will contact the police.

Making a complaint to Ofsted
